

**Rule 557. Preparation of Sentencing Orders.**

At the time of sentencing in a traffic case, conservation case, or ordinance violation cases, the court shall enter a written order imposing the sentence and all applicable fines, fees, assessments, and costs against the defendant and specifying applicable credits. The prosecuting entity shall draft such order and present the order for review by defendant or, if defendant is represented, by defense counsel, before submitting it to the court.

Adopted Feb. 26, 2019, eff. March 1, 2019.
